

DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Staley on 10/6/08.

The application has been amended as follows: cancel claims 12-17,23.

Allowable Subject Matter

2. **Claims 1-8,11** are allowed.

3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or render obvious an enclosure for a pet litter pan as claimed in detail, especially the feature of a hinged coupling adjacent a bottom edge of the front panel whereby the front panel can be pivotally opened to expose an interior face of the front panel; and further comprising a pair of rails extending above the interior face of the front panel, each rail having a first end adjacent the bottom edge of the front panel and a second end adjacent a top edge of the front panel, and each rail being positioned a distance away from the side edges of the front panel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
